

Seminar Energy Markets – Winter Term 2020/2021

In the Winter Term 2020/2021, the Professorship of Industrial Organization and Energy Markets, Prof. Dr. Zöttl and the Chair of Economic Theory, Prof. Dr. Grimm, offer a seminar on Energy Markets. The seminar will be held as a block course during the semester. The language of the seminar is English.

The seminar can count as „Wirtschaftstheoretisches Seminar“ (WISO, Master) or „Seminar Energy Markets“ (WISO, Master, ASC).

The objective of the seminar is to discuss both, model-based and practical problems and developments on energy markets on the basis of economic theories. The participants will deal with scientific papers and models, but they will also learn to combine theory and practice and apply economic models to real-world problems.

Organizational aspects:

- The seminar is open to students of the study programs MSE and ASC (3 CP / 5 ECTS)
- Requirements: *Seminar paper (15 pages), presentation (20 minutes), co-presentation (5 minutes) and discussion*
- Contact Person: Ann-Kathrin Wiertz
